

Rev. J. Leavitt

July. 1846.

Dear Brother Phelps.

I have unfortunately lost
Loring's speech, but believe
all the facts in it that are ma-
terial are given in the Emanc-
ipator report of the time - say
two months ago.

Bro Loring has not returned -
is expected next week.

Am sorry to hear that your
health is no better. Hope it will
mend soon.

Can there not be a translation -
of M. de Felice's work on Em-
ancipation? It will help the
N.Y. Ob.

Nothing has been done here
in regard to the Board. Waiting for
you. I think we ought to get out
that letter of Greene's to the N.Y. -
Societies, & see whether the Board can
do or condemn it. Yours Leviath

I fear it will not be in my power to
go to Mass. to the Board. Can't change
my paper. Family coming. I am sure I
can't go.
